

Prompt Benchmark

Good Prompt vs
Bad Prompt

1. Landscape

Bad Prompt: A mountain

Good Prompt: A majestic snow-covered mountain at sunrise, golden light reflecting off the peaks, with mist in the valley below.

The good prompt adds emotion (sunrise), detail (snow, mist), and atmosphere.

2. Portrait

Bad Prompt: A Woman

Good Prompt: A close-up portrait of a young woman with freckles, soft natural lighting, blurred background, and a calm expression

The good prompt defines lighting, framing, and mood — leading to a cinematic result.

3. Product image

Bad Prompt: A Phone

Good Prompt: A sleek modern smartphone on a white studio background, soft shadows, product photography style.

The good prompt mimics professional studio lighting

4. Animal

Bad Prompt: A dog

Good Prompt: A golden retriever puppy running through a green park, captured mid-motion in bright sunlight

The good prompt conveys setting, action, and lighting — it feels alive.

5. Architecture

Bad Prompt: A building

Good Prompt: A futuristic glass skyscraper at dusk with reflections of city lights and a dramatic cloudy sky

The good prompt sets style (futuristic), time (dusk), and emotion (drama).

6. Food

Bad Prompt: A burger

Good Prompt: A gourmet cheeseburger with melting cheese, lettuce, tomato, bun on a wooden table, photographed in natural light

The good prompt adds sensory detail and setting — results look appetizing and realistic.

7. Workspace

Bad Prompt: An Office

Good Prompt: A modern open office with plants, warm lighting, and a collaborative workspace atmosphere

The good prompt defines environment, lighting, and tone — feels inviting.

8. Fantasy Scene

Bad Prompt: A castle

Good Prompt: An ancient stone castle on a misty cliff at night, glowing windows, under a full moon."

The good prompt evokes mood and cinematic imagery.

9. Art Style

Bad Prompt: A painting of a cat

Good Prompt: A watercolor painting of a fluffy white cat sitting near a window with morning sunlight filtering through curtains.

The good prompt adds art style, color tone, and composition cues.

10. Event

Bad Prompt: A wedding

Good Prompt: An outdoor wedding ceremony at sunset with floral arch, golden light, and guests in elegant attire.

The good prompt defines time, place, and ambiance — perfect for storytelling.
